Foodservice

BIG. RED. BRAT.

Roedy's Red American Amber Ale is an award winning brew created by North End Tavern & Brewery in Parkersburg West Virginia. We knew the minute we tasted it that we had to get this delicious brew into one of our Brat recipes...

Allow us to introduce the new Roedy's Red Bratwurst - exclusively from A.F. Wendling's Foodservice and North End Tavern & Brewery! Bold hop and malt characteristics combine with an expertly crafted blend of seasonings to create a signature Brat that only 100 years of meat-processing experience & the oldest restaurant and brewery in West Virginia could produce.

One bite and you'll agree - this big red brat is a big red hit!
